

Pre-Launch Guide

A GENERATION ON MISSION

Send Me.

Your path from "Here am I" to the mission field.

"Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me."

ISAIAH 6:8

Why this guide?

Maybe God has been stirring something in you: a pull toward people who have never heard the name of Jesus. This guide gives you a simple, honest picture of what happens next. SendFriends are missionaries with **Pioneers USA**, a mission that partners with local churches to plant churches among unreached peoples. You do not need to have it all figured out. You just need a willing "yes" and a next step.

Everyone has a role

G Go

Live and serve among the unreached as a long-term missionary on a team, learning language and culture and making disciples.

P Pray

Stand with the field every day. Prayer partners fuel the work, and our site offers daily prayer topics for Japan and beyond.

S Send

Give and encourage as part of a sending team. Every missionary is sent by a church and surrounded by partners.

Figures are drawn from Pioneers public materials. Please confirm current details at Pioneers.org.

The pathway (six steps):

1

Say yes

Pray, talk with your pastor, and invite trusted friends into the conversation.

2

Start form and conversations

A short Start form connects you with a mission mentor who walks with you before any formal interview.

3

Interview and full application

A relational interview, then a longer application with your story, calling and vision.

4

References and assessments

A reference from your sending church pastor or leader, plus general references, a doctrinal assessment and short psychological tests.

5

Explore session

A candidate committee and a licensed counselor help decide on appointment and shape your personal pre-field plan.

6

Prepare and go

Build your support team, complete training and pre-field requirements, join your team and send-off.

What you'll need

- A sending church that affirms you
- A reference from your pastor or leader
- Spiritual maturity, gifts and service
- Emotional and physical health
- Relational skills and teachability

Funding and training

Raising support. Long-term missionaries raise their own financial and prayer support. Your budget is built with the team you join, and gifts are held in individual accounts, not pooled.

Training. Pioneers guides you through pre-field preparation and partners with trusted ministry organizations for much of the essential training, with Pioneers-specific training led by its staff.
